### *About the Foundation...*

The **Firefighters Burn Institute** was founded in the early 1970's with the goal of establishing a local burn center for the Sacramento area. Because of their efforts, the **University California Davis Medical Center Regional Burn Center** was created in 1974. Since then the Regional Burn Center cares for nearly 300 burn patients from throughout the medical centers 33 county Northern California Service Area.

We are in need of funds to support this very important organization. Contributions to the **Firefighters Burn Institute** are fully tax-deductible (**Federal Tax I.D. Number 23-7364927**). We invite your company to join us as a sponsor for this event. By being a sponsor in this event your company will be promoted as not only a business but also, a caring organization. Your contribution will benefit hundreds of people like you and I who may someday turn to the **Firefighters Burn Institute** for help.

We are anticipating a highly successful and well-attended outing. Help us show **the Firefighters Burn Institutes** friends, neighbors and colleagues our association's commitment to professional burn care and research. We are offering various levels of sponsorships including hole sponsors, golfers, raffle donations, and cash donations. Please see the attached registration form for more information or call Brett Markarian at 209-769-4584.

We thank you in advance for your support for this cause that is so dear to our hearts!
