Dear Potential Sponsor,

I invite you to take a moment to review the attached sponsorship opportunity outline for our upcoming “**4th Alarm Chili Cook-Off**” charity fundraiser held **Saturday, November 18, 2017** at the California Automobile Museum. Your involvement will make a difference in helping fund burn recovery programs such as *Firefighters Kids Camp*, where 7-17 year olds can interact with other young burn survivors that have common experiences so they don't feel alone, and *Little Heroes Preschool Burn Camp*, where children 3-6 years of age and their families receive help to cope with the physical and emotional challenges associated with burn recovery. I hope you will join us in continuing our mission by supporting this worthy cause.

Please feel free to contact my office at (916) 739-8525 for any questions or further information. Thank you, I look forward to hearing from you.

Sincerely,

Mike Daw
Executive Director, Firefighters Burn Institute
Ret. Battalion Chief, Sacramento Metro Fire Department
