9TH ANNUAL GOLF TOURNAMENT

Chardonnay Golf Club, Napa, CA • Friday, September 7, 2018

ABOUT US – NORCAL FPO

Our Mission is to promote the protection of life, property, and the environment from effects of fire and other hazardous events through education, engineering, and enforcement.

Formed in the early 1950s, the Northern California Fire Prevention Officers Association (NorCal FPO) is one of seven working sections of the California Fire Chiefs Association (CFCA) and has more than 300 members.

AARBF AND FFBI

The Alisa Ann Ruch Burn Foundation (AARBF), a 501(c)(3) nonprofit organization, enhances the quality of life for burn survivors and promotes burn prevention education in our communities. For nearly 40 years, AARBF has worked with local hospitals, fire departments, safety coalitions, and other organizations across California to develop innovative programs and services.

Prevention education is a key to avoiding agonizing burn injuries and AARBF's survivor services programs are vital to improving the quality of life for courageous burn survivors in California. For more information about the Alisa Ann Ruch Burn Foundation, please visit www.aarbf.org.

The Firefighters Burn Institute (FFBI), a 501(c)(3) nonprofit organization, was founded by Sacramento Fire Captain Cliff Haskell and the Sacramento Area Firefighters Local 522 in 1973 for the purpose of establishing a local burn treatment facility; providing recovery programs for burn survivors; providing fire and burn prevention through public education; funding education for burn team professionals, firefighters and burn survivors; and supporting burn treatment and rehabilitation research. For more information about the Firefighters Burn Institute, please visit www.ffburn.org.

CHARDONNAY GOLF CLUB

Chardonnay Golf Club is an 18-hole semi-private championship golf facility offering a variety of challenges for players of all skill levels.

The 18-hole layout features a unique blend of golf holes that meander through more than 150 acres of Chardonnay vineyards and numerous lakes and creek crossings, as well as a wide variety of native trees, shrubs, and wildlife. Several areas of the property are designed as wildlife preserves and are dedicated to maintaining wildlife habitat among the vineyards and fairways.
