American Burn Association Education Scholarship Program *Provided by the Firefighters Burn Institute*

The Firefighters Burn Institute (FFBI) provides a limited number of education scholarships for Shriners Hospital and UC Davis Medical Center staff to attend the 52nd Annual American Burn Association Conference in Orlando, FL March 17-20, 2020.

Each scholarship amount will be based on the need of the applicant and is intended to assist the recipient with hotel, registration and travel expenses. The FFBI scholarship is not intended to cover the full cost of attending the ABA conference. However, applicants taking an ABLS course may qualify for additional aid. All scholarship recipients will be invited to attend the ABA Firefighters Night as guests of the FFBI.

We will require verification of conference attendance from each scholarship recipient after ABA. Falsified information will result in a return of all scholarship monies awarded.

HOW TO APPLY:
